Mobile Simulator Comes with Master Resell Rights! Comes with a salespage? YES

----- Very simply these are the statistics: * 100 million people actively using Facebook from their mobile devices every month. * Millions of mobile users access Google for products and information * Millions of iPhone and iTouch users * Android as a cheap alternative is now rushing the market * Usage of m.youtube is exploding and mobile consumers watch hundreds of millions of video views on YouTube Mobile each month. * 63 percent of survey respondents said they would be more likely to give up their money than their mobile smart phone if they were mugged. * Smartphones are driving an explosion in mobile internet use And the list goes on. This is the perfect accessory to anybody creating mobile websites using the Mobile Website Tutorials or a standard stretch and fit system. It is not meant to be a full emulator but just a simple simulator you can send your customers to and show them their mobile website.
