

Psychology Of Prayer: A Scientific Approach - , Kevin L. Ladd

[DOWNLOAD HERE](#)

Reviewing the growing body of scientific research on prayer, this book describes what is known about the behavioral, cognitive, emotional, developmental, and health aspects of this important religious activity. The highly regarded authors provide a balanced perspective on what prayer means to the individual, how and when it is practiced, and the impact it has in people's lives. Clinically relevant topics include connections among prayer, coping, and adjustment, as well as controversial questions of whether prayer (for oneself or another) can be beneficial to health. The strengths and limitations of available empirical studies are critically evaluated, and promising future research directions are identified. Author: Spilka, Bernard Author: Ladd, Kevin L. Publisher: Guilford Press Illustration: N Language: ENG Title: Psychology of Prayer: A Scientific Approach Pages: 00226 (Encrypted EPUB) On Sale: 2012-08-24 SKU-13/ISBN: 9781462506958 Category: Psychology : Psychotherapy - Counseling Category: Psychology : Social Psychology Category: Religion : Psychology of Religion
