

The Pocket Lawyer For Filmmakers: A Legal Toolkit For Independent Producers - Thomas A. Crowell

[DOWNLOAD HERE](#)

* You have an idea you want to pitch to a production company; how do you safeguard your concept?* There's a painting in the background of your independent film; is it necessary to clear the rights? * The screenplay you and a friend wrote gets optioned; how do you split the proceeds fairly?* How do you get a script to popular Hollywood actors or deal with their agents? Find quick answers to these and hundreds of other questions in The Pocket Lawyer for Film and Video, the next best thing to having an entertainment attorney at your beck and call. Written by a TV-producer-turned-entertainment-lawyer, this no-nonsense reference provides fast answers in plain English: no law degree required! The Pocket Lawyer is designed to help producers reduce legal costs by providing the vital information needed to make informed decisions on the legal aspects of film, video, and TV productions. Film and video production is a litigation lightning rod: actors get hurt, copyrights are infringed, and contracts are broken. Big-budget producers have lawyers on retainer, but many independent filmmakers are left legally exposed. Arm yourself with the practical advice in this book. You will not only avoid common pitfalls, but become empowered in your daily work. Too many otherwise competent producers turn over every aspect of the deal negotiations to their lawyers and agents. This book explains the principal deals common to every production, putting producers back in the co-pilot seat with their representatives. The format is carefully designed for quick reference, so you get the answers you need, fast. Features include: * Clause Companion: explains the meaning and impact of typical contract clauses, taking the headache out of reading them.* F.A.Qs: instantly answers the most commonly asked legal questions.* Warnings: alerts you to critical areas and common mistakes. * Pro-Tips: advice on unions, escrow accounts, etc. for producers who want to distribute their video widely.
