Emily is the picture perfect daughter, with a creatively vivid imagination who loves to sing and play make-believe with her younger sister. Until one day her life is changed forever as she sleeps quietly at her favorite cousins house. She grows up engrossed in a naive fantasy of a relationship that she holds

secret, to everyone except her late night thoughts and her abuser. Slowly Emily spirals out of control with no understanding of why she is so angry and confused, until her anger leads her somewhere she cant come back from. Tabbi, an only child, loves her mother more than life itself. Even more she loves and enjoys the uninterrupted time they spend together and their promises to always make and keep each other happy. Never could her nine year old innocent mind conceive to what extremes she would have to go in order to prove her love. Raised by the streets, with an often absent single mother, Neka learns at an early age that she has to take control of her own destiny. One hurt filled experience after another hardens her heart to the possibilities of loving and trusting men and women alike. Just when all feels lost, Neka meets someone that changes her life for the good and bad all in one situation. When I Grow up I want to be a Prostitute is a compilation of fictional stories and events surrounding three young girls who have been exposed to sexual abuse in the early part of their life and what became of their futures and outlooks on life. The purpose of this book is to open a much needed dialogue about the negative effects of Childhood Sex abuse and how it affects young girls, their future potential, hopes, and opportunities.
