Date: Wednesday, March 04, 2009 From: Justin Richards & Robert Rudd Dear Marketer, Getting traffic is one of the essential tasks all internet marketers must do! But what bugs me is that after all the hard work getting people to a website, the majority of them won't stick around long enough to have made the work worth while. What if you could get a second chance at all these website abandoners? A way to pull their attention back to your site, to capture their email, or give them a special discount or alternative offer before they're gone for good! Do you think that would help you increase your profits? Of course it would! Well I've developed a remarkably simple system that allows you to do just that... Introducing The Brand New... 'Action Announcer' Action Announcer is a small php script you can use to generate little 'exit traffic salesmen'. As soon as they get a sense someone is about to abandon your site they jump into

action, funnelling the traffic where you want it to go before its gone forever. It is so easy to use all you do is upload it, no messing with your server to get it to work. You can generate an infinite number of these salesmen and put them on any webpage you want. All you have to do is add one line of javascript code your webpage. This is easy to do, only takes 30 seconds and full directions are provided. If You Can Click, Copy, and Paste, You Can Use "Action Announcer" Step One Simply choose what size you want the exit screen to be, what color background you want, and what URL you want it to load. Press the 'Generate' button. Step Two Now just copy the generated code and paste it above the tag in your webpage. That's it your done! Now you just upload to your website and watch as your new exit salesman starts to increase your profits immediately! Its Easy To Use 'Action Announcer' & Give Yourself A Pay Rise Almost Every Day You can put an 'Action Announcer' salesman to work on any webpage in under 30 seconds. After that it works for you everyday, regenerating your traffic and channelling it back into your marketing funnel. Similar Solutions Out There Cost \$79! You may of see a similar solution to Action Announcer out there selling for anywheres from \$37 to \$79.95 and there is good reason for it. Because this is a in high demand product that actually grabs the attention of your visitors before they leave. They are going to leave eventually and usually within 1 or 2 minutes of scanning your page. With Action Announcer this is your last chance to make a first impression before your hard earned traffic leaves, maybe forever. Okay lets say that 3 out of 100 visitors visit your

website each day, and purchase a \$20 product normally, thats great. However thats still 97 people who left your website without taking a positvie action either to buy or to signup for your newsletter. To be conservative lets say that with Action Announcer you increase that 3 in a 100 to 4 in a 100. Well then thats 33.3 percent increase in sales without having to pay for any additional traffic. That would translate into an extra \$600 per month for your site in sales! Now do you see why other solutions such as Exit Grabber are selling for so much? Just for fun go checkout Exit Grabber's order page there you will see the price at this time of writing, (Aug 12,2007) it is being sold for \$79.95 without resell rights and with resell rights it is going for \$176.95. Wow now thats a nice chunk on change. Do you think the price is that high for a reason? You bet, because its a great product that converts visitors into cash! To be honest there isn't much difference between their product and ours, except for the price. So how much would you pay for this invaluable tool that really will immediately start adding extra profits to your bottom line? \$97? \$67? Well no, its worth MUCH more than that! But since this is brand new, I have decided to test the water and price this product at just \$9.95, not only that, if you're one of the next 50 people to order, you'll get an instant free upgrade to Private Label Rights!
