Worried that his planet is slipping into moral decay, the High Priest of DãfÂlriata sends a healer priest to retrieve more magical SlãfÂ nach Stones, the Council of Priests' quickly dwindling source of power. CinãfÂjed MacAlpin agrees to undertake the quest despite his misgivings, hoping a successful mission will relieve the pressure upon him to heal only the worthy. But finding the Stones is no simple task. CinãfÂjed must travel to the mystical Eye of Scota, a passageway through space that leads back to Earth, and the supposed source of the Stones. There he meets Tadeo Banderas, a spaceship captain marooned at the Eye. They discover that the spark of energy between them may hold the key to DãfÂlriata's future. Does CinãfÂjed have the courage to bring home the truth that the power to save his world is found in forgotten laws and his bond with another man?
