1; Title Page ;2 2; Copyright Page ;4 3; Foreword ;5 4; Preface;6 5; Acknowledgments;7 6; Table of Content;8 7; Contributors;11 8;1. Sutures and Scalpels;12 8.1; Sutures;12 8.2; Degradation;12 8.3; Structure;12 8.4; Material Type;13 8.5; Color;13 8.6; Size;13 8.7; Coating;13 8.8; Mounting;14 8.9; Other Physical Characteristics of Sutures;14 8.10; Needles;16 8.11; Scalpels and Holders;20 8.12; References;21 9;2. Electrosurgical Diathermy;22 9.1; Principles of Diathermy;22 9.2; Types of Diathermy;22 9.3; Generators;23 9.4; Mode Settings;24 9.5; General Safety Principles;26 9.6; Reference;26 10;3. Urinary Catheters;27 10.1; Indications;27 10.2; Methods of Bladder Catheterization;27 10.3; Classification of Urinary Catheters;28 10.4; Complications of Urinary Catheters;32 10.5; Reference;33 11;4. Urological Endoscopic Equipment;34 12;5. Local Anesthesia and Nerve Blocks;43 12.1; Indications;43 12.2; Types of Local Anesthetics;43 12.3; Inguinal Block;43 12.4; Spermatic Cord Block;44 12.5; Penile Block;45 12.6; References;45 13;6. Reduction of Torsion of Testis and Fixation;46 13.1; Indications;46 13.2; Procedure: Simple Orchiectomy;46 13.3; Complications;49 13.4; References;50 14;7. Simple and Subcapsular Orchiectomies (Orchiectomies);51 14.1; Indications;51 14.2; Procedure: Simple Orchiectomy;51 14.3; Procedure: Subcapsular (Intracapsular) Orchiectomy;53 14.4; Complications;54 14.5; References;54 15;8. Radical Orchiectomy (Orchiectomy);55 15.1; Indications;55 15.2; Procedure;55 15.3; Complications;58 15.4; References;58 16;9. Insertion of Testicular Prosthesis (Implant);59 16.1; Indications;59 16.2; Procedure;59 16.3; Complications;62 16.4; References;63 17;10. Testicular Biopsy;64 17.1; Indications;64 17.2; Procedure;64 17.3; Complications;65 17.4; References;66 18;11. Hydrocele Repair in Adults;67 18.1; Indications;67 18.2; Procedure;67 18.3; Complications;70 18.4; References;70 19;12. Excision of Epididymal Cyst or Spermatocele;72 19.1; Indications;72 19.2; Procedure;72 19.3; Complications;73 19.4; Complications;73 19.5; References;74 20;13. Vasectomy;75 20.1; Indications;75 20.2; Procedure: Scalpel Technique;75 20.3; Procedure: No-Scalpel Technique;78 20.4; Complications;80 20.5; References;80 21;14. Epididymectomy;82 21.1; Indications;82 21.2; Procedure;82 21.3; Complications;84 21.4; References;85 22;15. Inguinal Orchiopexy (Orchiopexy);86 22.1; Indications;86 22.2; Procedure;86 22.3; Complications;92 22.4; References;92 23;16.

Varicocelelectomy;93 23.1;Indications;93 23.2;Procedure: Inguinal Varicocelelectomy;93 23.3;Procedure:
Abdominal Varicocelelectomy;96 23.4;Complications;97 23.5;References;98 24;17. Circumcision;99
24.1;Indications;99 24.2;Procedure;99 24.2.1;Adults;99 24.3;Complications;102 24.4;References;102
25;18. Optical Urethrotomy;103 25.1;Indications;103 25.2;Procedure;103 25.3;Complications;105
25.4;References;105 26;19. Urethral Dilation;106 26.1;Indications;106 26.2;Procedure;106
26.3;Complications;109 26.4;Reference;109 27;20. Injectables;110 27.1;Indications;110
27.2;Procedure;110 27.2.1;In Females (1);110 27.2.2;In Males (2);112 27.3;Zuidex Procedure in
Females;112 27.4;Complications;115 27.5;References;116 28;21. Transrectal Ultrasound Scan and
Biopsy of the Prostate;117 28.1;Indications;117 28.2;Procedure;117 28.3;Complications;122
28.4;References;123 29;22. Urodynamics;124 29.1;Indications;124 29.2;Procedure;124
29.3;Complications;131 29.4;References;131 30;23. Flexible Cystoscopy;132 30.1;Indications;132
30.2;Procedure;132 30.3;Complications;134 30.4;References;134 31;24. Rigid Cystoscopy;135
31.1;Indications;135 31.2;Procedure;135 31.3;Complications;138 31.4;References;138 32;25. Suprapubic
Catheterization;139 32.1;Indications;139 32.2;Procedure;139 32.2.1;In the Setting Where Urethral Access
Is Inadvisable or Not Available (1);139 32.2.2;In the Setting Where Urethral Access Is Available;140
32.2.3;Using a Percutaneous Kit;141 32.3; EAN/ISBN : 9781846287060 Publisher(s): Springer, Berlin,
Springer, London Discussed keywords: Urologie, Handbuch/Lehrbuch Format: ePub/PDF Author(s):
Hashim, Hashim - Abrams, Paul - Dmochowski, Roger R.
