The second album of songs born in Fire. A trance-formative ritual blend of "lightwave," eclectic, free spirited, techno-tribal fire music, with delicious vocals, sensational percussion, outstanding keyboards. Dive into the fire. 12 MP3 Songs WORLD: Chants, NEW AGE: Techno-Tribal Show all album songs: Fire of Creation Songs Details: Abbi Spinner McBride is a High Priestess of the Family of Fire, a skilled fire-circle facilitator, and a clear channel for the Muse.... Her songs are sung at fire circles around the world, and are known for creating and enthusing a unified group mind. Spinner believes that through music, magic, mystery and fire, all things are possible, and all dreams are within our reach. When she's not creating or performing original music, she is practicing the kora, bellydance, magic and meditation. Fire of Creation is Spinner's second CD, following on the hugely successful Enter the Center. This new album represents the continuing evolution of her musical work, weaving piano, synthesizer, tabla, and a variety of other percussion instruments into a rich sonic tapestry. Spinner hopes this music will inspire you to come and join in the magic of the fire circle at one of the Vegas Vortex events. Learn more at [vegasvortex.com](http://vegasvortex.com)
