Related styles: POP: Folky Pop, EASY LISTENING: Adult contemporary People who are interested in Tracy Chapman Billie Holiday Jimmy Scott should consider this download. Details: Songwriter - "Anthony Everest" No1 UK Jazz Charts ARTISTE FOR 15 WEEKS, AND No1 Global Jazz Charts Artiste for 3 Weeks, simultaneously; beating Jamie Culum (No4), James Morrison, James Blunt and was Higher than, Usher, Rhiannna and Madonna by at least 10 places, or more in the All Genre Charts - reverbnationat some point in Oct 2008 to Jan 2009. Anthony Everest is an extra ordinary talented artiste (Songwriter) who showcases his talent across Jazz, Folk, Pop, Blues, and Soul genres of music. Even with Motown - sometimes! Vocally, colleagues call him the male version of Billy Holliday. Some think, Macy Gray. Some say he is the reincarnation of the source Jimmy Scott! Some of his musical repertoire has been compared with some of 'The Beetle, Classics. Vocally, Anthony has a great voice and can sing anything thrown at him. He makes songs his own with a unique identity by Anthonizing 'songs. Anthonys vocal signature is Jazz Blues. The aspiration continues. Follow Your Dreams - The digital Release - is a reflection and celebration of Anthony Everest Music, songwriting-ship, rather than, solely, the vocal performances. The project is aimed at singers looking for songs, media and producers looking to synchronize original music or songs into various forms of media or production(s), also, celebrating Anthony Everest's Love for Music and Songwriitng. Groomed For Stardom: a Jazz ballad he wrote made top 20 on myspace jazz charts for the better part of 2007-2008, and danced for Kylie Minogue Spinning Around Video, Girls Aloud Love Machine acted on Eastenders and appeared in a few TV commercials i.e. Terrys Chocolate Orange,

Natwest etc. He's a great entertainer with presence and engages the crowd with his big voice and personality. Anthony also writes from time to time as a Music Journalist. Anthony Everest's signature is Jazz as aforesaid. Be dazzled and dazzled by this young fresh talent. Anthony has performed all over UK, far and wide. Anthony also boasts of a repertoire of over 200 original songs self written / co-written with various talents or colleagues, including standards. Youd often mistake one of his own songs for a standard or classic. He also plays Keyboard. Anthony Everest can provide acoustic sets of voice and piano or voice and guitar, attractively, with poise, class and presence. Anthony performs with live musicians (band) or with recorded music, coupled with one or two musicians aided by backing tracks depending on the clients budget. A typical example, will be Voice (Anthony Everest), Recorded Music and a Saxophone Player. Anthony will ease you through the night with songs like 'What a wonderful world, made famous by Louie Armstrong, My baby just cares for me, a classic of Nina Simone, or Think by Aretha Franklin. There are also rear treats with original songs too, from him, like Pennies, Your Love, Groomed For Stardom, Emptiness, How is Life, Follow Your dreams, I Get No Love and Shameless a just to mention a few. Anthony can be in some way, theatrical, Jazzy, smooth, satirical, emotional and expressive, up beat, laid back, or thoroughly original. Anthony, songwrites everyday and performs almost everyday of the week and is working on the follow up Digital Compilation Release, as we speak! Anthony Everest Music has been profiled on BBC World Service as a break through, original, independent artist -thanks to the internet. Anthony Everest was recently hand picked out of hundreds of thousands of singer-songwriters, on Sonic bids, to one of ten - only, to be signed up, to a non exclusive world-wide synchronisation deal. Not bad for a kid who they said won't make it through ...' "Follow Your Dreams" anthonyeverest
