blue shield band emerges from the cornfields of the great Midwest providing an honest, lonesome look at the prairie countryside with their original brand of Alt. Country Rock. 9 MP3 Songs ROCK: Americana, ROCK: Roots Rock Details: Influenced by John Mellencamp, Wilco, Rolling Stones and Steve Earle; Blue shield band began performing in the late summer of 2000. Brothers Joe and Chris Fisher handle guitar and bass duties along with drummer Kevin Hinterlong as they delve deep into folk, country, rock Americana traditions. Dan Carty (piano) Dan Tetzlaff (lead guitar) provide a lush landscape of melody and noise over the solid rhythm foundation. Last year's independently released "Chicken Coop Chronicles" captures the sound and feel of the modern Midwest. Simple stories of simple pleasures trailed by lonely lamentations fill the first album released under the bands' own label; Chicken Coop Records.
