My style of delivering poetry is in a glass of it's own. 23 MP3 Songs SPOKEN WORD: With Music, SPOKEN WORD: Poetry Details: "Thank you so much for your wonderful cd. It is thought emotionally provoking, not to mention varied and poignant. Fine cd...in my player right now!" -Dyana Williams Co-Founder of IAAAM President of Influence Entertainment [iaaam.com](http://iaaam.com) Rebecca "Butterfly" Vaughns has been married to poetry since the age of ten. There are no words that can explain the passion and love Rebecca has for poetry. She holds Langston Hughes accountable for turning her into a fiend. Rebecca leaves audiences amazed at her ability to freestyle poetry leaving one to think its been inked for awhile. She impressed Bruce George Co-Founder of Def Poetry Jam in 2002 at the 2nd Annual Spoken Word Expo held in St. Louis, MS when she came hard from the dome in the midst of a cipher out in the parking lot after an open mic session. Rebecca has tapped many of mics on various stages from elementary schools to high schools to colleges to jails to festivals and is in high demand for weddings, funerals, baby christenings, retirement parties, church galas and everything else in between. She's an International Spoken Word Artist with people appreciating her work in Canada, The Bahamas, Jamaica, Belize, Africa, and Argentina just to name a few. She's appeared on internet and mainstream radio as well as underground radio. She's done live broadcasting performances on Haitian and Spanish television locally and has appeared on various radio stations and television in other cities throughout the USA. Her work is supported and loved by the likes of Shangcomedian/ poet, Betty Wright singer/songwriter, Floetry, MC Lyte, Joss Stone, and Robert Townsend just to name a few. Rebecca has truly made a name for herself in the arena of spoken word and poetry since taking the stage May, 1997. Rebecca holds several accolades for her craft to include 2003 Spoken Word Artist of The Year, two slam wins, and her work is featured on compilations in New york, Chicago, and Miami just to name a few as well as appearances in

anthologies to include Drumvoices Revue spring,summer, fall 2004 issue with a tribute to Katherine Dunham. She's released three cds My Voice, Your Ears being her current project as of April 2, 2005 and a book of poetry under the title of Gypsy Poet: A Journey of All Roads That Lead to Poetry.
