Mp3 Byron Boo Fuller - What Do I Know

DOWNLOAD HERE

Byron has turned a hobby into a professional song writing bonanza. What you hear is what he is. True,pure and original. 10 MP3 Songs BLUES: Acoustic Blues, FOLK: Power-folk Details: Phasing is everything to a good song. Byron's careful and deliberate choice of words put just the right hook to each selection. Each song tell the story of its message so clear that you find yourself saying "I know how that feels". Catchy and not cramped to fit, but easy flowing is his touch in getting these songs over. Don't try to put his work in any catagory, other than American culture, non-demoninational music for the heart and soul.
