HOW TO CALM THE WILD CHILD.....OUR MUSIC HAS WON THE NATIONAL PARENTING AWARD...CAT ENTERTAINMENT was founded by a Home Day Care provider in search of a music CD to relax children. This is how "MOMMY, I CAN'T SLEEP" came to pasture. Putting nature sounds with music that we all know and loved from our childhood, Somewhere Over The Rainbow, Old McDonald Had a Farm, and London Bridge are just to name a few. The nature sounds that we have included in this music are different from other nature sound CDs. There are live cows, horses, ducks, birds, ocean water, streams and of course heart beats. These are sounds that will relax the heart to beat at a slower rate and inturn will relax the mind and body. This tool has been tested many different ways AND IT WORKS. Please listen and enjoy our samples. Next To Your Hugs And Time, Therapeutic Music May Be The Greatest Gift You Can Give Your Child.
