Related styles: COUNTRY: Country Pop, COUNTRY: Traditional Country People who are interested in Alannah Myles Mary Chapin Carpenter should consider this download. Details: This debut album, Cant Wait To Fly has been long awaited by friends and fans. Cheryl co-wrote the title track with Grammy Award winning singer/songwriter, the late Harold Gay in 2003. With two exceptions, all the original songs on this album were penned by Cheryl or with a co-writer. Many of the songs lean toward the country genre and the originality makes it hard for comparisons with any well-known artist. You need to listen for yourself to appreciate this beautifully heartfelt, soulful voice. Always busy performing cover tunes by the likes of (to name a few) Rosanne Cash, Mary Chapin Carpenter and Sheryl Crow, Cheryl finally had the chance to put together her own album of original songs with backing from her drummer husband, George Cothrun, and is extremely excited at finally having this opportunity to get her own music out there. Its never too late to follow your dreams! Canadian born with indigenous roots and proud to be Metis (her maternal Grandmother was a Cree Indian - her paternal Grandfather, Olafur Briem, a full-blooded Icelandic), she started singing professionally at age 23 and toured western Canada and northwestern Ontario for eight years honing her vocal and guitar playing talents. Powder grew up in the tiny northern Manitoba town of Wabowden, and ultimately ended up in the U.S. in 1997. She's been in Spring Creek, NV in Elko County since then and performs regularly for appreciative local audiences with her band, Road Rash. In the parlance of Nashville hit-makers, it just takes one song to launch a career and as big as Elko County is, "small town girl makes it big" is bigger than any border.
