70's 80's electronic pop 12 MP3 Songs POP: 70's Pop, POP: 80's Pop Details: "Once in a while, and honest song gets written. On Walking Backward once in while happens quite a few times." David Weiss, Manhattan Mirror "Grimaldi's lyrical flair is his best asset. It's an enticement to visit this noteworthy debut album." Larry Flick, Billboard "With a commanding baritone voice and keen ability to mix melody and rhythm, the openly gay Grimaldi relies on a range of '70's influences in his debut release...Grimaldi's roots are obvious, but his sound is distinctly his own." Harriet L. Schwartz, PGN
