A warm, folky, resonant sound in the neighborhood of Fleetwood Mac. 10 MP3 Songs POP: 90's Pop, ROCK: Acoustic Details: Hi! And thanks for stopping by and checking out my music. I was born and raised in Indianapolis, IN. I have played music for so long I can't remember not doing it. Any way, I spent the last year and a half putting this CD together with the help of my producer, Steve Creech. I have worked on many music projects in the past 10 years, one with the band called the Edge, and my first solo CD called Alone. This is my lasted project and I hope you in joy it. The songs I write are from my heart or close friends story's they told me from their lives.
