There are so many songs you will connect to. You'll kinda sit back and say..."Yea, yea, that's ME right NOW! 5-stars!" -listener review "Honestly one of the best CD's I've ever bought. 5-stars!" -listener review "A unique voice that is both silky and mature lends itself masterfully to a familiar, yet brilliantly original sound...lyrics embedded with a deep intelligence and themes that strike straight down to the core of human emotions...listen closely to Isaac's words and his passion for a real treat. 5-stars!" -listener review "Definitely one of my favorite CD's...though my music interests are mainly hip-hop, rap, and some classic rock, this CD grabs you and you can't help but appreciate it...I have owned it for years and to me it is a classic that I will continue to enjoy forever. It is universal and I strongly recommend it... 5-stars!" -listener review "deep and soulful lyrics...soothing, relaxing, heartfelt and welcome to my ear... 5-stars!" -listener review Check out more of the reviews of this CD at the bottom of this page!
