

Mp3 Jim Glass And Friends - Imaginary Highway

[DOWNLOAD HERE](#)

Blend of country, blues, and jazz with a pop flair. 12 MP3 Songs POP: Pop, BLUES: Jazzy Blues Details: Jim Glass and Friends is a blend of country blues jazz and pop mixed together with soulful guitar, vocals and harmonies and sprinkled with a great beat! Jim Glass is a well-known blues guitarist in the Southwest, playing with greats like Dr. John and Muddy Waters. He is joined by Luann Lindemann, vocalist and composer/arranger. Her style "changes with the tides" and lends a special flair to their newest CD. People who are interested in Sheryl Crow should consider this download. Tags: pop
