

Mp3 Just Plain Bill - Hedonistic Rituals Of The Unemployed

[DOWNLOAD HERE](#)

A concept CD for the 21st century... 17 MP3 Songs POP: Power Pop, POP: Beatles-pop Details: Just Plain Bill challenges themselves and their listeners with Hedonistic Rituals of the Unemployed. The addition of horns, strings, and other orchestral instruments to their basic guitar, bass, and drums has created a concept album that could have been recorded in the late 60's or early 70's. With quirky, Americana type lyrics that are reminiscent of Ray Davies, but with weirdness like Robyn Hitchcock, Michael Stipe or Wayne Coyne; Just Plain Bill touches on subjects of crime, bulimia, insomnia, and escape. It also includes a rendition of Fancy by The Kinks.
