Everyone says I'm Tha Next 2 Pac. Based On My Lyrical content but sounds or flows nothing alike. 11 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Hardcore Rap Details: Karmah "Formally Known as The Reign" has dropped his first L-P in over 3 yrs! After producing more then 8 albums for the artists under his label, he decided to do "HIM" for a minute or two! From beginning to end, he grabs and holds your attention! Touching on mostly social issue of the street life, Karmah is an artist that knows how to reach out and grab you! This Album is very personal to me. I put alot of thought into it and took my time. I listened to what's concidered "hot" on the radio and strayed away from that. I'm here to do me, not what the next artist is doing! I'm not that "mainstream artist" that everyone seem to sell out to be. I speak what i feel and can't let anyone control my feelings. I speak it how I live it. Just like in my songs, I'm Karmah. I give to you what you give to me. Love or hate, you get what you put out!
