With melodic melodies and harmonies, this band is one of the newest and hottest on the Jewish scene. Each track carries the listener on a different musical journey where the unexpected becomes a rich tapestry of rhythm and song. Move to the beat - move to your beat - just move for the good - Zooz. Touch the deepest part of you, search and connect into the Eternal Drive that exists in us all. You are welcome into the music. Blending into the Eternal Drive doesn't stop with the CD. Celebrate the emotions and collective soul of the Jewish people that transcends time, space and musical tradition! Eric - rhythm guitar, harmony and visionary Tall, smooth voice, melodic fingers that strum. He's been making music since picking up his guitar at age 15. His favorite lyricist on the debut Kofusion CD? Dovid HaMelech. Dovid - Drummer, harmony and part-time comic Dark, bearded, Dovid's tapping NEVER stops. Some people used to call this Attention Deficit Hyperactivity Disorder.... we call it TALENTED! His hands are beating out rhythms even when he dreams..... Jon Madof - lead guitarist Undoubtedly the BEST lead guitarist in NYC! No bio needed! We love you dude! Hillary "LadyGriffin" Griffin - Head Engineer (Recording, Editing and Mixing) Ah...words can only hint at such a talent! From Peabody Institute to Denmark...the acoustic world is a better place with her!
