Emotional and passionate piano melodies. 2 pieces add flute. 14 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: Born in Madrid (Spain) in the 70s, where she was brought up and lives with her husband and 2 little sons. Likes music since ever, being 7 years old played the flute at school, a year later began composition - short melodies, played the guitar when she was 10. At the age of 12 she started to attend music classes. Soon a vertical piano entered into her life, a black upright Romhildt, which she played to compose and study. Tried to combine two degrees studies, Music and Vet, but finally dedicated all the effort to Music, leaving Vet with 3 courses accomplished -out of 5. In 1995 recorded a 4 themes demo in Estudios Bola (Sevilla - Spain). In 1998 recorded the rest of the themes included in the album Viaje Interior. Has been trying to promote the album and herself, but been working as a music teacher for a living.
