

## Mp3 Matt Schanadore - A Walk Through Life

[DOWNLOAD HERE](#)

an easy listening collection of digital piano sounds. 13 MP3 Songs NEW AGE: New Age, ELECTRONIC: Virtual Orchestra Details: "A Walk Through Life" is a collection of outstanding easy listening piano songs depicting nature and life on the North Dakota prairie. All the sound combinations are original and were generated through the use of a digital piano. Thus, the artist was able to add unique and captivating resonance to his already special style of music. Each song title is distinctive to its piece of music. It is the artist's hope that the listener will be able to create a visual picture in his or her mind, as each song tells its own story. The artist was born and raised in Mandan, North Dakota. It is a town nestled among the hills and prairies of the Dakota plains. These surroundings, as well as the people who live there, are just a few of the many influences that helped him to create his unique style of music. He began composing his own songs at a young age and some of the songs on this album were created by as early as age 15. The album was released in 2002, when he was 18 years old.
