

Mp3 Miguel Reyes - When You Were Born

[DOWNLOAD HERE](#)

FREESTYLE/DANCE/LATIN HEART-THROB 7 MP3 Songs ELECTRONIC: Dance, POP: Pop Show all album songs: When You Were Born Songs Details: The name Miguel Reyes may not seem familiar to many dance music fans, but this artist has been in the music industry nearly 20 years. Forming Afecta Records in 1987 was the beginning of great learning experience for Miguel. In 1990, his group Full Afekt released their first single Remember The Days. The group went on and released three more singles entitled, "Dont Leave Me Now," "Out Of My Mind," and "Distant Memory" a collaboration with fellow artist and good friend Sammy-C. Even though releases from Afekta were under limited release, the songs have become great freestyle dance classics still heard today. Miguel grew up in South Jersey in a loving family of seven. His interest in singing came at a very early age and he quickly developed an appreciation in various styles of music. Miguels cites influence as diverse as The Jackson 5, Journey, Shalamar, Phil Collins, 80s real school hip hop, R&B dance classics, and 80s classic rock. Miguel continued writing songs and pursued his career as a solo artist. He signed on with an independent record label out of Philadelphia. His first release Those Were The Times earned him immediate recognition and led to many performance opportunities and radio airplay throughout the Northeast and Midwest states. With the success of "Those Were The Times," Miguel was given the opportunity to release his first debut album entitled, "May Everything After." Miguel has been singing and performing in a variety of venues throughout his career. With his exceptional improvising vocal abilities, as well as songwriting skills, Miguel is poised to share his gifted talent with the world. Currently, Miguel continues to write songs and is inspired daily by his family and by the experiences that the heavenly father leads him through. His enthusiasm while singing allows the smoothness of his voice to capture the audience with his words. Miguels new single will surely touch audiences and bring a host of new enthusiasts as well.
