KIDS/FAMILY: General Children's Music, COUNTRY: Country Pop Details: "Rockin' the Day Away" is a compilation of original children songs performed by Various Artists including: John Weller, Meredith Lee, and young Joseph Tygart. This album is intended for children aged 0-10 years to enjoy, with their parents or by themselves, at home, on road trips, daycare, or anywhere. The CD package includes a full COLORING BOOK for added creativity while listening. It comes complete with lyrics, so that children and/or their parents can sing along with the instrumentals without competition from the professional artists. The first 10 tracks are sung by Lee, Weller, and Tygart; the second 10 tracks are instrumental versions of the same songs "guaranteed to cut down on road rage." In a review in Christian Booksellers Association's "Marketplace", Karen Covell describes "Rockin' the Day Away": "The original songs on this cutely packaged CD are ordered to take young listeners from 'wired to tired.'"..."This fascinatingly unique CD encourages parents to customize songs in selected spots with their child's name."..."Though it's not specifically a Christian recording, this album offers a refreshing approach to children's music." (Used by permission.) In addition to just being fun, this CD can be a useful learning-to-read tool or for learning English as a second language. Familiarity with the lyrics coupled with the printed lyrics and appropriate drawings make it easy to understand and learn the words. A useful substitute for the Sandman, this album comes HIGHLY RECOMMENDED.
