Related styles: EASY LISTENING: Adult contemporary, NEW AGE: Neo-Classical People who are interested in Enya Loreena McKennitt Sarah McLachlan should consider this download. Details: About Rooted House Inc and Rachel Persaud: Rachel Persaud, founder and CEO of Rooted House Inc., is a student of all spirituality and religion, finding uniformity and oneness throughout all. Currently, Rooted House Inc. houses a vocal studio, and musical teaching facilities for both individuals and groups. Rachel is the current lead artist for Rooted House Inc with the long-term goal of inspiring other like minded creators to join her on the journey to inspire the general public Upon her return to Canada is 2004, Rachel began to cement her passion for both Music and the Arts. She turned her complete focus to all original compositions and creations. She created her BETA project, which includes a CD, a literary fiction work, and the foresight to establish a world musical. One Little Voice is an inspiring neo-classical style CD featuring the message the one little voice can make a difference. In 2008, Rachel performed a variety of benefit concerts including one to sponsor a refugee family establishment in Canada for housing and household items. She also is aligned with Save the Children, a not-for-profit group that aids and educates in the poorest regions of Africa. In 2009, Rachel will also be publishing two of her fictional novels.
