Heartfelt and emotional hammered dulcimer solos, acappella vocals and progressive folk. An album for lovers of music. 10 MP3 Songs EASY LISTENING: Mood Music, FOLK: Modern Folk Details: Wood, Wind Wire came to the album 'Silent Voices' as a collection of songs that Daryl had written to help with the process of dealing with loss of family members. It was also a concert of remembrance. Relationships never end as long as the memories stay alive and that was the impetus to complete 'Silent Voices'. Musical influences of John McCutcheon and Sam Rizzetta are evident as well as the acapella style of artists like Enya. Each song is a memory of a life that was important and not to be forgotten. Karen sings the songs of her grandparents and Daryl plays original compositions that reflect the lives of mother, father, lost children and the faithfulness of Gods' promises. Each piece is a personal instrumental portrait and carries with it the life and identity of its' namesake. "Hammered dulcimer extraordinaire!" - New City Cafe' The songs on this album are there to touch the heart and soul of the listener. We hope you are touched by 'Silent Voices'. Daryl Karen Yearwood
