It seems like lately when you go to the grocery store or convenience store, you can see displays offering

green tea beverages for sale. Even though green tea has been around for years and years, it seems as if there is a current push for people to start drinking green tea, but why? The truth is that nutritionists are starting to make it known to the general public that green tea has certain healing properties that just cant be ignored. We are a health conscious nation, and green tea contributes greatly toward a persons overall well-being and can even promote healing for some pretty serious diseases.
