

There Came A Killing Frost - Selah March

When ex-assassin and reluctant time-traveler Kit Frost agrees to deliver a package for the wealthy and powerful Thierry DuSourde, he doesn't realize his cargo is the very human, very beautiful Lourdes Carterro. It's Kit's job to return Lourdes to her master's embrace, but she has other plans. Trained as a sexual submissive, Lourdes tries using her "special skills" to trick Kit into allowing her to escape. But Kit turns out to be more than she bargained for -- in bed and out -- and pretty soon they're both in way over their heads. TO MY READER: Despite its futuristic setting and hot scenes of "capture and bondage," There Came A Killing Frost is really just a story about a man who finds himself lost in a time not his own and the woman who comes to trust and love him despite herself. I hope you enjoy reading about Kit and Lourdes as much as I enjoyed creating them.
