Winning The Affiliate War Discover How To Stay On Top Of The Affiliate Marketing Competition! Affiliate Marketing is a lot like a football game, just without the bruises and sore muscles. When you are one of many marketers who are trying to sell the very same product to the very same consumers you had better have a plan to get at least your fair share of the market or more. Every niche market on the Internet is highly competitive. If it isn't competitive then there can't possibly be much of a customer base to sell to. That is just the nature of all Internet marketing and in every niche. Winning The Affiliate War offers an expert insight into how the average affiliate marketer can level the playing field and best his or her chances in becoming a top affiliate marketer in his or her own rights! In This E-Book, Discover: How to win the affiliate war! How to crank out profit-pulling words that sell and make potential customers jump off the fence to buy through you instead of gazillions of other competitors in the same niche promoting the same product! How to part yourself from the rest of the average me too marketers with u_____! Boost your own chances of earning commissions by having v_____ and c_____ that the mediocre marketers do not! The proven, time-tested incentive that can make people prefer to buy through you

instead of your competitors! Why you shouldnt be offering rebates and cutting yourself short in the process! (I will discuss with you why as this is often a heavily popular tactic used by average marketers... and I certainly dont endorse you to take this highly competitive route while cutting yourself short in the process!) And much, much more!
