Isaac Marrow doesn't care that Nikki Rathe is a seductress. She's the only member of the Community who can help him get his sister Molly back from Nikki's father, who holds the rest of their kind under his spell. But he doesn't expect her to help willingly. Instead, he tricks her into giving up her blood, bonding her to him in an effort to compel her support. Nikki could have told Isaac that bonding himself to a seductress was a foolish move, but he never asked. Now, a powerful lust ties them together, driving them both mad. Isaac is hot, but the desire is a distraction she doesn't need. Nikki wants to free Molly and bring down her father just as much as Isaac, if not more. The Community banished her as a child while letting her power-hungry father grow stronger. But Isaac's betrayal of her trust can't go unpunished. And a seductress can deliver a powerful punishment.
