Self-help: By simply thinking, you can find peace, positive energy, happiness, and self confidence. This will open up your mind about yourself in ways you never dreamed possible. You find yourself in situations that force you to reexamine your strengths and weaknesses--your courage and your fears. Mr. Pace takes you by the hand and introduces you to sometimes strange, and sometimes responsible situations you find yourself participating in. Growing Self Confidence gives you the power to live your life with strength and imagination. The 30 lessons also give you the power to conquer your own roadblocks to self confidence and self esteem.
