Examines the role of Kaiser Wilhelm II, focusing on the final years of his reign. This collection of innovative essays examining the role of Wilhelm II in Imperial Germany was first published in 2003, particularly on the later years of the monarch's reign. The essays highlight the Kaiser's relationship with statesmen and rulers, his role in international relations, the erosion of his power during the First World War, and his ultimate downfall in 1918. The book demonstrates the extent to which Wilhelm II was able to exercise 'personal rule', largely unopposed by the responsible government, and supported in his decision-making by his influential entourage. The essays are based on thorough and far-reaching research and on a wide range of archival sources. Written to honour the innovative work of John Roehl, Wilhelm II's most famous biographer, on his sixty-fifth birthday, the essays within this volume will continue to provide an exciting evaluation of the role and importance of this controversial monarch. EAN/ISBN : 9780511055850
Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Mombauer, Annika - Deist, Wilhelm
