Today's culture is comely more musically various With it's unreserved and resounding grooves, 20: 2:12 is poised to spark both intellect and heart. Each band member brings a variety of genres to the table to blend classical, funky jazz riffs, blues, pop, and fiery rock elements to create their own eclectic sound. The solid rhythm section of Lead guitarist David, bassist Francois, and drummer Brian harmoniously connect both lyric and music. "Wake UP!" 20:2:12's debut album officially released November 2003, is fast comely a favorite among many. The band name and the title cut addresses seizing the moment in a fast pace world. Nina comments astir the band and associate members, "One of the things we all share, is encouraging one another to reach for our dreams. Time is so curt and it's really an act of courage to pursue what we alone have to offer." This philosophy is evident in their lyrics; communicating a message of love and hope, to an unpromising world. It is no wonder why so many people readily identify themselves with this band. The band has performed at local South Florida clubs, and non-profit events such at the CA Trade Show at the Broward County Convention Center. Recently, the band performed for the South Florida Nashville Songwriting Association Chapter. As witnessed by Eric Kline, Author and Host of In the Music Business, "20: 2:12 has great stage presence!"
