

# Mp3 Agent 23 & Bski Rocks - The Road Less Traveled

[DOWNLOAD HERE](#)

Agent 23 is what would happen if Bob Dylan and KRS-1 get mixed in that teleportation pod from The Fly. 10 Years of rhyming have honed his technique, and 10 years of travelling the world have supplied a wide variety of content for his stories and songs. 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: Agent 23 is what would happen if Bob Dylan and KRS-1 get mixed in that teleportation pod from The Fly. 10 Years of rhyming have honed his technique, and 10 years of travelling the U.S.A. and beyond, driving, flying, hitchhiking, train hopping, and backpacking have supplied a wide variety of content for his stories and songs. He has performed across the nation as a soloist and as a part of the notorious G.F.E., a collective of musicians and MCs whose roots began in improvisational street performance and eventually evolved into a practiced touring unit with over 100 original songs, and 4 full-length albums. Along the way, he has shared stages with countless legends, from RUN DMC, MOS DEF, and MASTA ACE, to SOULIVE, SOUND TRIBE SECTOR 9, and THE P-FUNK ALL STARS, and has appeared on recorded tracks with GEORGE CLINTON, MTV Battle Champion BREEZ EVAH-FLOWIN, TAME 1 of the ARTIFACTS, and JEN DURKIN of DEEP BANANA BLACKOUT and THE BOMB SQUAD. Agent 23s style is diverse, and ranges from the territories of lyrical gymnastics and punch-lines to scathing political tracks, and the joys and trials of raising a family and staying positive in an increasingly negative world. The Road Less Travelled is his 3rd solo album in as many years. The spearhead project for the Asheville, NC based Miner League Records, and all the art is original work by JOE BUCK, co-founder of MLR. This work features all production by BSKI ROCKS, a superb beatmaker and respected crate digger, with over a decade of material under his belt. BSKI has produced for C-RAYZ WALZ, BREEZ EVAHFLOWIN, TAME 1, G.F.E., and has DJd on tour with MR LIF + AKROBATIK, SOULS OF MISCHIEF, and BREEZ. The 14 tracks that make-up this album are seething with funk and

soul, and lyrically explore the alternative thought patterns of a subculture lifestyle where originality is king and gaining experience outweighs the endless the endless hunt for cash. Guest spots include ADAM STRANGE of G.F.E., BREEZ EVAHFLOWIN, and JEN DURKIN. Drawing from a life filled with strange journeys and incredible characters, it is a breath of fresh air against the stuffy repetition of mainstream hip hop.
