Bastard son of Leonard Cohen, Steely Dan, and Roxy Music. 13 MP3 Songs ROCK: Americana, POP: Quirky Details: FOUR STARS: That said, this album simply amazed me - a great amount of music goes past my ears every month - it's so nice to find something that supprises and amazes me. Recommended for those sick of modern rock or whatever they call it now. -INDIEcator I really cannot see too many people not enjoying this CD! I highly recommend it! -Purrmag.com If your in the mood for a jacked up throaty vocal and feeling a bit lonesome, grab a six of Heineken, fix a bologna and cheese sandwich. Just don't forget the lyric sheet on your way to your favorite comfy chair. Slap that baby in and let her spin!
