Acoustic rooted americana 12 MP3 Songs FOLK: Power-folk, POP: Folky Pop Details: I was born in Chicago... isn't that a song? I was raised on the South Side in the shadow of an iron forge (I'm not making this up, folks). Did my time with the nuns and lived to tell about it. I started writing songs when I was fifteen years old and didn't know any better. After a 10 year stint in Carbondale, Illinois, I headed for San Francisco where I've been ever since. I've been fortunate enough to have my songs recorded by Shawn Colvin, Mary Lou Lord, Cliff Eberhardt and Laurie MacAllister. Songs I've cowritten have been recorded by Chuck Prophet and Thad Cockrell. I still live in the Bay Area with my wife, Kathleen, and our daughter, Ruby. And obviously, I'm still writing songs and I still don't know any better.
