An audio documentary of my development as a songwriter - covers various styles ranging from ballads to acoustics to R&B songs. 13 MP3 Songs in this album (54:49) ! Related styles: EASY LISTENING: Love Songs, SPIRITUAL: Contemporary Christian Details: Josh Colorado is a young songwriter who started composing at the age of fourteen. Over the years, he has developed greatly as a musician and now plays over seven instruments including the piano, guitar, ukulele, drums, clarinet, saxophone, and others. He is musically versatile and enjoys listening to and recording songs of many styles. Currently a Pharmacy student at Rutgers University in New Jersey, Joshs only music-related goal is to use his talent to touch other people. He believes that music is the most powerful force in the world. Josh records his music in his bedroom, using his own equipment. As of now, he only has one album, but is always recording new music. Stay tuned and God bless!
