[DOWNLOAD HERE](#)

Every song is different: Funky, Christian, Rock, Reggae, Folk, Country, Blues and Jazz. 12 MP3 Songs

FOLK: Gentle, JAZZ: Smooth Jazz Details: Utah Dream is superbly engineered by Wind Machine's Joe Scott and impressively Produced by Dameron demonstrating her imagination and ability to put together instruments, rhythms and harmonies that result in truly creative compositions. She does all of the acoustic guitar work and 90 of the electric lead work. The CD Features some of the finest Denver and national musicians around. Here is a complete list of the featured musicians: Members of Wind Machine appear courtesy of Blue Meteor Records Members of Old Soul appear courtesy of F2 Entertainment/Celcius Records. Hannah Alkire Taylor Mespl (Wind Machine) Mark Corben (Old Soul) Laura Newman (appears courtesy of Redstone Records) Jeff Fournier Michael Olson (Wind Machine) Daniel Jones (fabulous Steel Pedal and lap Steel) Joe Scott (Wind Machine) Robert Juenemann (courtesy of Cats Night Out records) Christian Teele (Old Soul) Mark Kranjcec (Old Soul) Larry Thompson (Wind Machine) Becky L. Martinek Shari Weissman "Celestial vocals layered over sophisticated guitar riffs are hallmarks of Laurie Dameron's compositions. They encompass a variety of musical styles from moody acoustic pieces to rock, jazz and blues influences." -- Freelance writer Marilyn Gleason. Utah Dream is "a CD consisting of classic folk, jazz and blues underlined by the lilt of a voice so distinct that only one word could describe it: beautiful." -- Laurence Washington, Boulder Daily Camera music critic. "Delicate voice and confident guitar mark her work..." -- David Thomas, Denver Post
