[DOWNLOAD HERE](#)

Dreams of Wonder is an exquisite voyage of magic and diversity through music. Find yourself immersed in an epic melodic style and experience a passionate album that will soon become a favorite of Contemporary Instrumental / Neoclassical music fans. 10 MP3 Songs in this album (62:41) ! Related styles: NEW AGE: Contemporary Instrumental, NEW AGE: Celtic New Age People who are interested in Vangelis Andreas Vollenweider David Arkenstone should consider this download. Details: Leo is a young pianist, composer and multi-instrumentalist artist. Leo's music has orchestral and electronic elements using Piano as the lead instrument. His music is strongly melodic, theme driven and rich in arrangements. Leo's work resembles an adventure that transcends time, place, cultures and differences, inviting the listener to awake to other places, realities and questions. Leo's multidimensional field of work is wide and varied, although his style remains quite unique and strongly distinguishable. Be prepared for an experience always reminiscent of metaphors, imagination, voyages transcending borders, age and cultures. You will find Leo's music easily under categories/genres such as epic new age, a movie soundtrack, contemporary instrumental, neoclassical, classical or even world music.
