

Mp3 Mark Macminn - We All Fall Down

[DOWNLOAD HERE](#)

A heartfelt sound packed with probing words, "we all fall down," is filled with songs we can all relate to about change, confusion, heartache, and anger. 10 MP3 Songs FOLK: Modern Folk, POP: British Pop
Details: Mark MacMinn is a singer/songwriter born in upstate New York, raised in Austin Texas and currently residing in Los Angeles California. Over the past ten years this twenty-six year old has toured throughout the Midwest area including the states of Texas, Oklahoma, Louisiana, Kansas, and Missouri. He has also recorded four albums including two solo records. The debut; "We All Fall Down," and the follow-up "Bon Voyage." Which have been compared to the likes of Ben Kweller, The Shins, Pete Yorn, and Joseph Arthur. "We All Fall Down," is filled with songs we can all relate to about change, heartache, confusion, and anger." -Waterloo Records "Hear Texas" Much like his contemporaries Mark's songs are tales of love, loss, individual struggles, and reflections. With influences ranging from Elliot Smith, Damien Rice, and Jeff Buckley. Mark blends the acoustic integrity of Ani Difrancio with the tone of Johnny Cash to create a genuinely authentic sound.
