Fans of RADIOHEAD ELLIOTT SMITH shoulder to shoulder with fans of COLDPLAY MUSE 10 MP3 Songs ROCK: Emo, POP: British Pop Details: Mindheads albums have both been graciously placed on the famed KEXP DJ John Richards' top 10 lists. "Local band Mindhead have a new recipe for indie rock. Unusually vulnerable lyrics provide a taste of introspective confusion. Feedback and crunchy textures spice up twisted, atmospheric concoctions from this talented new band." -M. Myers 90.3 KEXP (THE major indie station in Seattle. kexp.org) "...a distinctive mixture of acoustic and electric music, full-throttled, thoughtful and dynamic. I was amazed over and over again just how good it sounded." - Skagit Valley Herald - CD Review How Not To Get There, By David Menard. "Mindhead is highly talented, and solid in their efforts, and their live show is also absolutely gripping." -Tekbug Magazine "...seeming familiar - in a good way - while being brand new" - John Richards, KEXP 107.7 The END, Seattle "Mindhead melds ideas of spirit, intellect, and purpose in their music. Fused by a powerful force of talent, wit, and knowledge, Mindhead elevates the significance of art and music in the most liberal and true form of the principles that are human creativity." - Endless Vertigo Music
