Details: Nio is an ambitious singer-songwriter from a little town in Switzerland called Aarau. For many years he met with a wide response with his self-written songs. With a combination of genres like rock, pop, irish folk or jazz, Nio creates with his guitar and his voice inexorable music. Sometimes melancholic and provocative, sometimes brutally romantic, but always unconventional and in the good old manner of a balladeer. To Nios simple and honest music add some poppy and deeply harmonic tunes, so that Nio sounds intimate and refreshing at the same time. July 15th 2006 he released his first album rooms and stories. His second album the entertainer was released in Autumn 2008.
