The Life of Ryk-a-shay Blazing hott female straight from the streets of Winston-Salem, NC. Birth alias is Sara'h, street alias Raw, rap alias Rykashay. Pisces, 115, 5'3 complexion of coffee, and an amateur boxer with hands like Ali. Still keep in mind metaphorically the Greatest of All Time. In this time and era I claim the thrown and the champion title, while you others mimic styles like American Idols. So I step in the game without the fear to be different, never knew my dad cause he packed up and never returned like a shipment. But life goes on; Mom dukes taught me how to be responsible as well as strong. As time progressed aged 17 my lifestyle changed, went from having a boyfriend to liking the sex that's the same. I know it seems strange but believe me it wasn't planned. It caused controversy so I moved out and had to survive; far from spoiled I wasn't the only child. Raised by a single parent with 2 sisters and 1 brother, but I don't regret it all cause it made me tougher. At this time I had a lot on my mind so I started free styling and writing rhymes. After a while I realized I was hot, shortly after Biggie and Pac was shot. Which leads me to now, Mother's Day 2002, 1 of my sister's body was found. She was murdered by her husband unfortunately but I know she's shining down. I do believe in Carma, what goes around comes around. But things happen for a reason, something positive is planned for me, I'm believing. So I open to you the diary of a Mad B**** reality with a meaning. So I figured the result of me is Kay-Sara'h, Sara'h what ever will be.
