Details: Biography STACK CHEESE was born and raised in one of the smallest most deadliest cities in America East Palo Alto. Ca. Stack Cheese got his first taste of music while hanging out with his mother cooking in kitchen on Sunday evenings while his moms played the 8 track. While in the kitchen. Stack Cheese and his mother used to listen to R&B recording artist like The Whispers, Chaka Khan, etc. This ignited his interest in music and Stack Cheese began to really notice how music would play a big roll in his life. After a few years passed and still very interested in music, Stack Cheese older brother lead him to Hip Hop and Rap music. Listening to likes of Eric B. Rakim, N.W.A, Too \$hort and a list of others. It was Too \$hort who influenced Stack Cheese to pick up a pen and pad to write rhymes There he began to write to well big name rappers beats. So far (early in his career) Stack Cheese has been a very busy man. In 2005/ 06, he released his debut album Vikings Only (Released on Cheddar Factory Music / At Large Entertainment) And has performed at a number of shows across the Northern California (The Bay Area) performing on the same stage with recording artists such as: Totally Insane, Doc Loui, H Element, Turf Mobb, Suga T, Furious, Big Rich and Baily just to name a few. Stack Cheese has currently been putting the finishing touches on his 2nd release: Crowded At The Bottom which is to scheduled to be released in the summer of 2006. This CD release will feature guest appearances by bay area artists Dem Hoodstars, Mac AK, Furious, Doc Loui, and others, along with Stack Cheeses new recoding group The Cheeda Organization. Also, Stack Cheese has a mixtape underway Welcome To The Stage - Round 1 (SUMMER 2006) IN STORES NOW With the success of his Debut album and by displaying his determination with his current projects Underway, Stack Cheese is defiantly possessing that he has what it takes to make it as a recording artist.
