But, you always remember the times that you did, and there's no feeling in the world like that. Whether it's that warm fuzzy feeling, or goose bumps down your spine, that's what we're talking about here. Fate, luck and circumstance is what brought these players together. Some have known each other for quite some time, some have not. Some have played in bands together over the past years. What's special now, is the fact that they are together, and are "In The Pocket". These songs are for you. They are brought to you by 5 guys from Tampa, Florida, by way of Connecticut, Argentina, Virginia and Texas. This is music from the heart. Play it loud!
