Terrorcouple's signature sound incorporates strong, tribal, mechanical beats that squeeze the heart, and thick sonic textures that make the skin crawl. eerie vocals, terrifying and seductive, excite while sending shivers down the spine. 8 MP3 Songs ELECTRONIC: Industrial, ROCK: Goth Details: Out of erotic nightmares and demented fairy tales, we step from the shadows and into the gray-light of this world. From Netherworld stock, tempered by a tribal, industrial existence, and the extreme passions of the human experience, we bring with us all the haunting and lucid visions of addiction, sexuality, pain, obsession, rapture, pleasure, distortion and insanity. Ours is a world that blurs the lines between rationality and fantasy, between the gorgeous and the grotesque subversive to logic, detrimental to all absolutes chaotic and lustful, ordered like a shattered mirror To enter our world is to embrace that which is hidden, feared, and kept taboo to enter is to leave behind comfort and conformity. Be warned we are not for the weak of heart. Music ov Cruelty: Terrorcouple's signature sound incorporates strong, tribal, mechanical beats that squeeze the heart, and thick sonic textures that make the skin crawl. eerie vocals, terrifying and seductive, excite while sending shivers down the spine.
