That is the concept of the new debut CD from the Semi-Casual Silver String Mezzanine Band. Titled Backin Out Ass First This CD features 12 diverse and witty tracks Featuring lyrics by Frank Gambino and music by Frank Gambino and Sonny Speed This is truly a unique CD, full of twists and turns for the listener Produced to capture the true spirit of the grown up rascal in all of us. All of the musicians and singers are from the Long Island music scene, including Frank Gambino on guitar, Robert Langley on drums and Sonny Speed on keyboards, bass, mandolin and an assortment of others. KenThe RocketKorb featured on two harmonica tracks and Tommy Pandel playing lead guitar on the instrumental. The 14 vocalists include many of Long Island favorites, such as, Sonny Meadows, Tim Huss, Vincent Crici, Dave Bailey, Denise Romas, Sarah Haddock, Slap Jackson and Jim Baron to name a few. The musicians playing on this CD jumped at the chance to make this fun album and took time off from their primary bands such as The Defibrillators, Tornado Alley, The Red River Ramblers and Blacklisted and the Banded to help out on this project. And we are so grateful they did. These songs written by Frank Gambino and produced and arranged by Sonny Speed reflect the diversity of their styles. Theres plenty of comedy like the title track Backin Out Ass First, and others such as The Idiot, Dont Want to Rest on my Laurels, If There is No Such Thing as Free Will, and Pa, Youre Goose Is Cooked. The CD also contains two country songs When Two Become One and You Can Lead

a Horse to Water, a love song An Ocean is Small, the philosophical They , and a touching tribute to the people of New Orleans Bourbon Again. The CD has an instrumental titled Frankly Its Sonny Out and a heart felt Christmas song The Old Guys. Its a great collection of musicians and songs. Inspired by the Rascals spirit to put on a show. We hope you enjoy listening to our CD as much as we enjoyed making it.
