

## Mp3 Third Nipple - Jazz: Free Jazz

[DOWNLOAD HERE](#)

This album contains free improvisations which are reminiscent of a cross between Bitches Brew Miles Davis and Evan Parker. 11 MP3 Songs JAZZ: Free Jazz, JAZZ: Weird Jazz Details: Third Nipple is a free music ensemble which creates music through the interaction of the musicians with each other and their environment. While the band cannot predict what music it will create on any given night, the entire group accepts and incorporates the presence of the audience and space into its improvisations. This allows for music which, while tense, is somewhat accessible to audiences who never thought they would listen to free music. The group has been well received in rock clubs and art galleries alike (though the music in each situation was very different).
