Tamil Pops 12 MP3 Songs POP: Asian Pop, POP: 90's Pop Details: Hello Tamil Pop Music Lovers, This is Thompson Casinader from Kissimmee, Florida. I am a native of Srilanka. I am the song writer, composer and the executive producer of the album called Tamil and English Pop Songs from USA. You may have listen to some of my songs in the early days in the Srilanka Broadcasting Corporation. Ever since I was a teenager, I was passionately involved to write, compose and sing pop songs both in English and Tamil. My purpose and goal is to promote, encourage and motivate talented artists and musicians from Srilanka and abroad, and to provide them the window of opportunities to show case their talents to the world music audiences. This album has an array of popular singers from Srilanka. It is a variety of entertaining pop love songs. If you particularly like the music of the 90s, but wants a unique style and rhyme, different from usual Tamil Cinema Music, I am sure you will enjoy this album. I strongly urge you folks to try it, listen , if you like the songs, buy it. Although this album was released to the world audiences in 2002, due to various reasons, it wasnt sold in the internet nor on the CD baby until now. The music and melody arrangements were done by the popular singer, composer and music director K. Mahindakumar, and his fabulous group of musicians The Harmony. By the way, our anxiously waited latest album called Cool Melodies , Etha-mar-na Raa-gan-gal of todays music, will be released very soon in April or May 2008. This album has 14 different Cool Sweet Love Melodies, entirely with todays music and young generation in mind. This is indeed a very quality album with many new popular singers from Srilanka. A 100 Srilankan effort, that each and every artists will be proud of . I can definitely predict that this album is going to be a sensational hit. It is going to surprise many of my critics. I personally believe this album is one of my best. The music is composed by the popular music composer Sunith Kelum, who has joined

hands to create one of his very best. The melody arrangements is by the popular singer and composer K. Mahindakumar. The lyrics, melodies and executive producer is Thompson Casinader. If you have any questions or comments about this album Tamil English Pop Songs from USA or the coming release Cool Melodies please, e-mail :- [tcasinader@yahoo.com](mailto:tcasinader@yahoo.com) Thank you very much for buying our album. People who are interested in should consider this download.
